

3RD ANNUAL

VETFEST

5K/10K • FESTIVAL

SATURDAY, OCT. 19
DOUGLAS COUNTY
EVENTS CENTER

The Douglas County Veterans Monument Foundation (DCVMF) is proud to host the 3rd Annual VetFest 5K/10K, which will be held at the Douglas County Events Center in Castle Rock, Colorado, on Saturday, October 19, 2019, from 10am to 2pm. In addition to a 5K and 10K walk and run, there will be live music, food trucks, beer vendors and artists booths. Last year, the event attracted more than 100 runners and several hundred attendees.

The DCVMF is a nonprofit organization that assists veterans in Douglas County and we can't perform our mission without your support. The exposure that we will provide our sponsors is all-encompassing, and the funds that we raise are greatly needed by our recipients. All money raised from this event will go to support the many requests we get throughout the year for assistance. All donations and sponsorships are tax deductible through the IRS with our 501c3 charitable foundation status (Tax ID# 27-2370488).
